

2017 Manotick Art Association Outdoor Painting Sites

The schedule below is a *draft schedule* and those registered will be notified of any changes. The first meeting on June 8 from 9:30-12:00PM on site will include a workshop with Charlie Spratt on what to bring, tips for painting outdoors, and how to enjoy the experience. At the end of the session, we meet and share each other's results. The sharing is not intended to be a critique and is optional.
